

We wish to take this opportunity in thanking all of the children and their parents who have attended our tennis coaching sessions throughout the summer. The initiative has been a great success with over 00 children taking part. The professional coaching provided by Sam Munson and Ben James-Martin has been vital in giving the children such a fantastic experience.

These sessions have greatly supported our efforts in the re-development of Dyfed Road Tennis Courts. If everything goes to plan with our efforts to secure funding, the whole community will have the opportunity to play on new purpose-built tennis courts next season. We are in discussion with our tennis coach, Sam, to see if we can continue the lessons into September, possibly starting at 4.30pm. We will keep you informed online and will hopefully make an announcement this evening about the exact details.

We are very proud to award all participants in the tennis coaching sessions with certificates of appreciation. We are delighted to welcome the Mayor of Neath Town, Cllr. Bob Price, Mayoress Sara Price, and Mayor of Neath Port Talbot, Cllr. Scott Jones to award the children with their certificates.

This coming Monday (Sept 2nd) at 4.30pm, we are holding a litter, weed and brush at the courts which will help us maintain the facilities and the continuation of the coaching sessions. If you are able to help us we would be very grateful. There are brushes available.

Our tennis project involves the support of many community groups. Their expertise and support have been vital in reintroducing the tennis facilities at Dyfed Road, Neath. We would like to thank Neath Town Council, Neath Port Talbot County Borough Council, Local Businesses, Neath Bowls, Neath Cricket Club, Neath RFC, the LTA, Sports Wales, Robert Williams from Hutchinson Thomas Solicitors, Coal Fields Regeneration and our amazing team of hard working volunteers. A special thanks to Cllr. John Warman, Cllr. Mark Protheroe and Cllr. Alan Lockyer for supporting this project from the onset.
